

RETIRED - NEXT PHASE

PASSION - PEOPLE - POSSIBILITIES

PURPOSE

Time and experiences change our purpose as time passes. Through in-depth questioning and reflecting, you will find your purpose for this special time in your life.

PEOPLE

Passion is people! You will have communities within communities and the opportunity to set up success teams in and outside the group. By helping others, you help broaden your horizons.

POSSIBILITIES

Here is where the fun comes in. Do you want to earn an income? Do you want to volunteer? Do you want to pursue a craft? Human interaction is more important at this point in your life than any other. Now you can choose among a number of paid and/or volunteer options. This is your time!

THE NEXT BEST PHASE

This is your time!

Passion and Purpose are not things or jobs.

They are something you build! You don't find your purpose; you BUILD IT based on close self-examination, based on what makes you come alive. This is possibly the most special time in your life, one that can be the most fun, the most enjoyable, the most rewarding!
